XGolf Mornington

PRESIDENT'S REPORT

What a year!

In so many ways what a year, as a new president all I would have wished for was certainty and if not that, some sort of clarity, did we get either, absolutely not.

Covid, what a curve ball it has thrown to not only our club but to our lives, but what we have been able to do in answer to these challenges I am really proud of and to everyone should be very proud of also.

We saw the creation of more social networking throughout the playing group, something that maybe we took for granted previously but we now have learnt the power of this and going forward a tool that will help us continue to grow and evolve.

We have a heap of ideas to maximise the use of this and I saw a buy in from the club that I know is here to stay which will allow us to continue getting better.

We had a coaching set up never seen before at local level but one I am very proud of and confident that it will continue to develop all our players as best possible, I want to thank Tim Harper, Tom Hussey, Matt Prosser, Trav Campbell, Simon Parrott, Jamie Jewiss and Robbie Lancaster, this was something new in a year of new, not really a chance to iron out the kinks or adapt on the run as we continuously had the challenge of Covid, our work and home lives and the insecurity of what the future may have held nor did we have the chance to get together face to face prior to the pre season starting, which was 3 weeks before round 1, so to all, thank you, you all created an environment that I believe we as a club grew from and absolutely learnt a lot from.

Our captains, Travy, Macca, Gav, Dan, Pozza, Cuzzy and Paul, I thank you for your year, similar to the coaching group, the unknowns can be something that can provide further challenges because you aren't only captains but also coaches and mentors to your teams, the club continued to see big numbers at training and a great support through our social platform I would suggest that you guys have done a great job, you may not ever know the impact that you guys had, and maybe the proof will be in the return of everyone next season, I believe we will see the big numbers come pre season again.

Continuing to move forward when thrown challenges as teams and as individuals is what builds the teams that have the success we all crave, I think we are well placed to turn 1 premiership this season in to multiple next season, and captains our club has learnt and moved forward with you guys, thank you.

Moving forward to next year and beyond, I'm really excited and eager, I want to see how good this club can truly be on and off the field, on the field for next season we have been able to add one of the most respected people in cricket not to mention one of the best players to have played on the peninsula, couple that with we have an abundance of young men that are driven, we have experience throughout the grades that push these youngsters along with each other, we have a junior program that is the envy of every other club in the country let alone the Peninsula, this is a recipe for success but at the same time it is up to everyone in our club to ensure that we deliver on this, and I will always back that we will deliver!

Next season to assist in making sure this delivers, we have been selected as 1 of 10 clubs to be supported through the Positive Psychology program that is THRIVE, I will let Josh Connell from THRIVE to explain more on this shortly, but from my point of view this program is designed for us to continue to explore and realise how good we can be, as a club, as a team, as individuals and as leaders in our own way, this is something that I am very excited and proud to be apart of moving forward and a direction that will put us further ahead of the rest into the future.

In the off season will be beginning to really build our senior women's playing side for the club, this, as a dad with daughters I am excited about and driven to make sure that this is just as powerful as our senior men's, there is some amazingly talented girls within our junior ranks and having a strong pathway for them to aspire to is exciting, keep an eye out and get your support fully behind our drive to be a dominant force in women's cricket and providing a pathway for our girls to become the best that they can be.

Off the field we are building something powerful, in a year that was met with uncertainty as mentioned before, what this club has been able to achieve is nothing short of amazing, being unsure if we were going to have a season, how do we stand if the season was only going to be 7 rounds as first thought, what are the financial implications if we we're not able to have a bar (because as of 3 weeks before the season we weren't having a bar), would we be able to even be allowed to open our clubrooms (not likely), are we able to survive if we weren't able to be supported by our amazing sponsors, where is our club at if we can't have any of this, and my biggest fear, what if people didn't want to play, what if they couldn't play because of what has happened to their lives and or livelihoods.....

We had a season of 14 rounds all one dayers, we started 5 weeks later than normal, we had a washed out round, we had a locked down round, so we had 14-15 weeks including finals to do our thing (usually we have about 20 weeks), we dealt with the restrictions put on us, the changes to our "cricket norm", and the new requirements to be able to train and of course play.

We had a bar that had moved but a group that continued to turn up and buy through the club, we had clubrooms that had more big nights out of no where then I had seen for a long time, absolute hay day sort of stuff.

So clear to see that we were a place of happiness, and release for our people, I'm really proud of that and again so should you all be as it is everyone that makes a club.

We had every single one of our amazing sponsors and partners commit to our club, Jared, Mark and the team from O'Brien Real estate Langwarrin, Hec and Matty Chasemore through the Peninsula Cricket Academy, Rob Morrison and his wonderful team from the Frankston RSL, Timmy Marks through TPM Concreting and Earthworks, James Harker through Polyplus, Steve and Matty from CBH Air con and Electrical, Steve and the team at Page Brothers Jayco (its your team Jo), Mal Reid through Andersons removals, the team at Freeway Ford in Cranbourne, Cuzzy from All Glass Recycling, Manny of WBCM Environmental Australia, Hayden Mitchell and his genius team at Peninsula Furniture Frames, Nick and the crew at Sportspower Cranbourne (Since changed to Intersport but in the same location), Brett from McKays Meats in the Gateway Centre in Langy, Em and her young team at Mornington XGolf and Poss & Deb and your wonderful team from C&D Trophies, thank you to these amazing businesses and people that continue to support us.

The previously mentioned is the reason that our club has had one of the most powerful off field years in its 67 year history, from a desire to get through the year and to limit the potential financial hurt, we have been able to become more powerful, this is something that absolutely everyone in this room should be proud of, this is our club and we are succeeding together so lets make sure we continue to deliver for years and years to come.

A big part of this is our committee, Paul Morrow, Paul Poullos, Chris Jamieson, Brett Cuzens, Lauren Campbell, Matty Prosser and The Captain Ray Curran, wow what an amazing first shift on the committee mate, Covid Officer and running the Bar, mate a massive amount of work and a truly great job, Our outgoing junior Vice President Darren Guinea, mate I thank you for everything that you have done for our juniors over the last 6 years, our juniors are in a really great space, you should be very proud of what you have been apart of, thank you mate, our Treasurer Kirsty Rees, a thankless in the background making sure that we are remaining profitable and being able to answer any finance question instantly, thank you, first year Secretary, Jo Jamieson, I can't thank you enough for everything this year, you were able to dot my I's and cross my t's and I think we have been able to get through the year, thanks Jo. Gary Rees as my Vice President, thank you mate for the support, the trust in my direction and for being a great mate, a fantastic team mate on and off the field.

With an eye to the future, I will always look to push our boundaries, I will always try to do what I believe will continue to improve and develop our club, players and our people, we must do this and not rest on what we have done to date, although I have great pride and respect to our history, if we aren't moving forward we aren't going anywhere. My job is to lead a team that make this club better than ever before, we are on the right track, we are powerful and we are united and we can continue to be better.

Lets make the year of 21/22 the year Langwarrin Cricket Club shows exactly how powerful it is.

Cheers

Matt Reddaway

Proud President of the best club in the world!

COACH'S REPORT

Well what can I say about season 2020/21!! It all started way back in June/July in the middle of the COVID outbreaks and lockdowns here in Melbourne. The LCC players page on Facebook was a fantastic initiative where during difficult times we have seen the best in people and shown how dedicated everyone was. Once we finally got stuck into training we were still separated in groups of 10-12. Whilst this was frustrating early on, I think it has been a blessing in disguise in regards to what we learnt and different ways we can run sessions going forward. The Intra club practice match that was played a couple of weeks before the season started was a huge success. It was great to see a competitive game and not just a laidback knockabout. There is no doubt this had the top grades and those that played fair more prepared than any other club going into round 1. One last thing on the pre season and the COVID chaos is a big thank you to Ray Curran (Capt COVID) on the amazing work you did.

Once the season began and we got back to some form of normality it was fantastic to see how connected and engaged the club was. Not only from those playing in the high grades but we had buy in through all grades right down to the 8's. A big reason for this is the unbelievable work that Rob Prosser does running the full club warm ups & fielding drills.

We ended the season with 3 teams plying the finals including our 1st XI who went down in a nail biter to old foes Sorrento. The 6th XI also falling short in the semi final but the story of the season was the 5th XI. Led by club president Matt Reddaway this group of youngsters and a couple of old timers were outstanding with the likes of Harry K and Tyler Hunter having excellent seasons.

Some thank yous to get out of the way include.....

Tim Harper - The coaching group are lucky to have you as a mentor and there is no doubt the club is a better place because you are a part of it. His partner in crime Rob Prosser as previously mentioned.

Matt Reddaway & Gary Rees – We are the powerhouse club because of the leadership and direction shown by you 2. The support you give to the coaching group and every member of the club is greatly appreciated.

Committee members & helpers – To all the committee members, helpers, scorers, the old boys cooking the BBQ on a Thursday night, Lachie O'Neill & Nick Curran the first 2 blokes to jump behind the bar on the til/empty bins or do whatever is required. You have a very bright future lads and it does not go unnoticed.

Players & members – Now the most important of all and that's YOU the players and members of our great club. The buy in from everyone in what was a difficult year brought this club closer together and shown us all just how special this place is to be around. We had nights where all 3 grounds & nets were being used and not once did we hear anyone complain.

Medal/award winners – Congratulations on your successful seasons. The challenge for you guys will be to not only match but to better your season next year.

To those leaving us in 2021/22 and moving on we wish you the best of luck and want to make it very clear that those blue and white doors will always remain open.

To everyone else let's set ourselves a goal and turn 1 premierships into a minimum of 4 next season!!

See you all in pre season which may look slightly different to our standard 6-8 weeks of indoor sessions.

MP

FIRST XI REPORT

After a special 2020 with COVID and all, the anticipation of getting back on the ground was high! We didn't have the pre-season that we would have liked with restricted numbers at training & conditions made things a little difficult.

We had recruited well before Covid with the inclusions of Cameron Sharpe, Jayde Herrick & welcomed back Tay Smith and felt we had a really good chance of taking out the title this season, even after losing some key players. It was a slow start to the season, however we started to hit our straps by Christmas and came together as a team to show the Langwarrin spirit. Playing 1 day games throughout the year meant we needed to also change our game plan. Everyone adapted well and we had a strong run home.

We set ourselves up for a big crack in the finals, needing 6 wickets and only a few runs needed by Sorrento, we managed to take 5 for 5, coming so close and I could not be prouder of the boys never say die attitude.

The 2020 Jack Peacock came around and we convincingly took out all 3 of our games to make finals, beating Sorrento at Baxter was an unbelievable high for the club, handing us 4 premierships in a row!

I would like to that Mal Coutts, congratulations on an amazing career and I look forward to working with you next season.

To Tim & Rob, once again you are both absolutely amazing in what you do for our great club, I am sorry we could not get over the line this year for you both as the amount of time & energy you put into getting our great club on the park is phenomenal.

Thank you to Roger, the ever reliable scorer, ball collector and support you give us each week.

Thank you to JC for coming to all our games and showing us so much support.

Thank you to my wife & the wags that come and support each week, it is great seeing so many ladies at the club supporting us and being passionate about Langy. Even if it is just for the drinks on the hill....hahaha.

Thank you to the "old boys", who are also there to support us and cheer on every wicket, hopefully we can do you proud and bring home a flag next season.

It goes without saying that I love this club, my time at Langwarrin has been fantastic, not only for myself, but also my family. It is an amazing club to be a part of and we welcome Chris Brittain, Stuart Plunkett, Dylan Campbell and their families to join next season.

Until next season... GO LANGY!!!

JUNIOR CO-ORDINATORS' REPORT

Season 2020/21 Junior Annual Report

What another great season the Junior Club had this season given that it was looking like getting off the ground with Covid-19. Again, we attracted great numbers with us fielding 15 teams in all year levels from Under 10 to Under 16. Unfortunately, we were not able to get a Girls team up this season with the League introducing Age Groups and our numbers did not allow us to field a side in either Age Group. However, we have more girls playing this season especially in the u10 Age group and this put us in a good position going forward to continue to Grow Girl's Cricket at Langwarrin.

For the first time we had 4 Under 16 teams competing this season with 2 of them playing in the Premier Division and again we had a Girls team. With the last round of Juniors being called off due to a Covid lockdown we only had 4 out of 11 sides play finals. We had 5 other sides requiring results from the last round to see where they would finish. Our club was lucky to have 2 sides playing off in the Grand Finals with our Under 16 White Premier & Under 14 Premier sides winning the Premiership. The other Under 16 Premier side missed out by Making it an all Langy Grand Final by 1 run. Well done to all teams for making the finals and representing our club with pride.

Friday nights this year were again massive at the club as we had 4 x Under 16's & 4 x Under 10's playing. As a result, we used the ground at Skye CC as an alternate home ground most weeks throughout the season to host our Under 10 home games. From all reports Skye were very accommodating and made our families more than welcome.

All our coaches did a great job this year and put a lot of time into their role and I thank them for their efforts this season. 2019/20 coaches were – Jamie Jewiss, Simon Parrott, Matt Prosser, Sam Prosser, Andrew Dolphin, Greg Talbot, Andy Eigenraam, Paul Poulos, Kevin Murphy, Ben Wells, Matt O'Brien, Brad McNeilage, Steve Byrne, JP Haigh, Ben Woodburne, Luke Smith, Ryan Johnson, Gareth Wyatt & Chris Brittain.

The BIG change this season was the introduction of Age Group Co-ordinators which took on the responsibility of Co-ordinating their allocated Age Group. The guys listed below did an amazing job to run with this to make the season the success it was. A huge thanks goes out to:

- Under 16's – Adam Richmond
- Under 14's – Brad McNeilage
- Under 12's – JP Haigh
- Under 10's – Ryan Johnson

This Season the MPCA did not enter sides into the VCMU Carnival. However, we still had some players play Representative Cricket in Under 16 Dowling Competition Under 18 Female Competition this season:

- Kyle Parrott, Jaymon Jewiss, Brodie Matthews, Connor L’Huillier – Frankston Peninsula
- Tom Turnock, Zac Noble – Casey-South Melbourne
- Zane Snowden – Dandenong
- Alice Phillips – Frankston Peninsula

In addition, we also had Montana Phillips and Jemma Reynolds play at Women’s Premier Club Dandenong as well.

Again, due to Covid we did not run Woolworths Junior Blasters Program. I am sure this will be back bigger and better next season.

This is my 6th and final year as Junior Co-ordinator and I would like to thank all families for their effort and support. Brad McNeilage has put his hand up to take on this role and I know that the Junior Program is in excellent hands with Brad at the helm.

Darren Guinea

Junior Co-ordinator / Junior Vice President

TEAM REPORTS

SECONDS

It was a frustrating season for the seconds.

A string of narrow losses had us nearer the bottom than the top in late January.

But, while others wrote us off, we didn't give up on our finals dream and stormed home with four wins and a draw (due to COVID), only to narrowly miss a top-four spot.

We had momentum and belief, but we ran out of time.

It was a damn shame we never got to test ourselves in finals.

Who knows what we could have achieved...

Still, it was a fun season with plenty of positives.

I was especially proud of our wins late in the season over Old Peninsula and Sorrento - the eventual grand finalists.

The day-nighter against the Pirates was a great occasion. Coming off a shocker against Mornington the week before (when we were rolled for 67), we had to lift. Before the game, we made a pact to be tight-knit "like brothers". The result was a fantastic win under lights in front of a big crowd, with a finals-type atmosphere.

We had several stand out performers this season.

The great man Simon Parrott churned out 493 runs, at 70, to be the leading run scorer in the competition for the second season in a row. His 105 not out against Old Peninsula in Round 3 was a brilliant display of power hitting and determination, guiding us to our first win. We all love Simon's competitiveness and wisdom. And he was a wonderful support to me as skipper.

Well done to my vice-captain Smitty (Andrew Smith) on another fine season. He excelled not only with bat and ball but also as a young leader. He stepped in to captain the side when I missed a couple of games through injury and the boys loved playing under him. Late in the season, it was great to see him grab his opportunity in the ones and play in a semi-final.

Young gun Jay Jewiss, 15, was a revelation with the ball. He led our wicket tally with 15, at 20, and time and again put the brakes on the opposition's batting. It's not easy bowling spin, especially in one dayers when batsmen are looking to be aggressive. But Jay showed great skill and composure to excel.

Well done to our great wicketkeeper Max Parrott, who was given the big job behind the stumps and did it well - an incredible effort by a 12 year old.

Exciting young players Benny Williams and Lachie Jamieson took significant strides forward in their cricket. I was absolutely thrilled when Lachie scored his maiden century in the thirds in the final round.

Pleasingly, we were able to give opportunities to a raft of youngsters, including Zane Snowden, Tom Turnock and Trent Eigenraam.

To Wusty, Midday and Harks, your experience, know-how and leadership was very important for us.

A huge thank you to our wonderful scorer/team manager/number one supporter, the lovely Nadia Wust. Your efforts are so much appreciated by everyone, and, well, the boys adore you.

Thanks to everyone who played in the twos, and supported us, this season. It was great fun.

- Simon McEvoy, 2nd XI captain 2020-21

THIRDS

I would like to formally thank the Langwarrin Cricket Club in particularly Matt REDDAWAY and the committee for allowing me to captain the 3rds this year. It was the first time I have captained open age cricket and after being the sidekick to Jamie JEWISS last year and the opportunity presenting, I saw it as an excellent opportunity to take the reins.

The personnel was going to change somewhat from the previous year and I new that I would have an influx of youth age cricketers under my guidance. My main aim was to obviously challenge the players to get the best out of themselves and to seek to be better cricketers at the end of the season then they were from the start. The 3rds should be a real development grade of cricket where the junior boy's area preparing to develop to be the future of this club in years to come moving forward.

If I was to judge the season on wins and losses, I would be banging my head against a brick wall. We had more than our fair amount of winnable games that we dropped and should have won. This mainly came down to our batting more than anything. Our bowling and fielding was very consistent throughout the season but our batting up until the final round was nothing short of ordinary and that starts with me as the captain of the side. We simply did not make enough runs in games and that hurt us drastically and did not support the bowling efforts of our bowlers. In saying this, we missed finals cricket by a game and a half which shows our best cricket was competitive, but our poor cricket simply was not.

Regardless of missing finals there were highlights throughout the season most notably the emergence of Zane SNOWDEN (15 YO) In his first season in senior ranks to play the way he did was terrific. To have a 16yo in Tyler PORTER take the final overs at the death of games bowling his leg spin showed the confidence I had in him to perform under that pressure. Kurt EIGENRAAM forcing his way into the side from the 4ths and performing at a high consistent level showed how hard work pays off. To see Mitch and Riley TREWIN along with Zane and Trent EIGENRAAM playing 2nds cricket was fantastic. The biggest highlight for the year though came in the last round when Lachie JAMIESON made his maiden century. Having had plenty to do with Lachy coaching him in junior footy it was a pleasure to watch him dismantle Delacombe Parks bowling while others fell around him. It was an outstanding chanceless knock. I would like to thank Adam RICHMOND for his assistance through the season. He can be an absolute pain in the arse and his voice grates on me, but he has a heart of gold and he was a pillar of support this year. To Jamie JEWISS, Pete EDWARDS, Mitch TREWIN and Mitch REID thank you for your support and leadership through the season. The development of the young fellas this year has been outstanding, and this club has many successful years ahead due to the culture and leadership within this club. Thanks again so much for the opportunity

Gav

FOURTHS

It was a tough year for the 4ths a year of what ifs but sadly in the end we were wooden spooners which is hard to swallow, but as always in the 4ths there was some great progress made by some of our young players. Kyle Rees continues to develop, the emergence of Harry Krajnyk who won the Wintercooke medal, Mark Fisher-White emerged as a match winner with bat and ball, Kurt Eigenraam who finished the season in the 3rds and Trent who finished in the 2s was a great effort. Paul Morrow was the best of the old blokes showing he's still got some gas in the tank showing form with both bat and ball.

Juz Weare made a comeback and showed plenty of ticker. Thanks to Mal Reid for your support throughout the year.

Thanks to the club for giving me the captains job again, hopefully I don't get sacked after collecting the wooden spoon.

A big thanks to Red, Reesy, Jo, Kirsty, Ray and the rest of the committee for your amazing efforts.

Finally big congrats to Red and his boys in the 5ths on your premiership. Well done blokes.

I hope to see everyone again next season.

Dan

FIFTHS

What a deserved result for a great youth driven year!

I was absolutely thrilled to lead a great group of young and not so young men throughout this year, asking more and more of the team as the year progressed and as we progressed as a team.

The old brigade did their thing all year with amazing performances by Luke Smith, Gary Rees, Foss and Poss (try getting that one right all year haha? And then capped off with such a great group of young fresh talent, it is honestly humbling to be a part of their journey as all our kids will progress through the grades in the not too distant future.

We grew a great deal from the start of the year to the end of the year, we started with a close loss to Carrum in round 1 and then finished with 2 absolutely dominant performances in the semi final and grand final, showing that we grew and peaked at the right time.

The growth of the kids is what I and the rest of the older guys play for, Brodie Smith (13), Tyler Hunter (13), Harry Krajnyk (15) Ben Glassenbury (16), Bailey Jamieson (17) and Harry Boyle (honestly not sure of the age, looks 40+ might only be 23), all these guys played their role and drove us all to be better as a team, culminating in some great performances in the semi and the grand final with Tyler Hunter and HK leading the bowling attack, truly rewarding to be a part of.

To the wiser lads, Luke Smith, mate what a great year you had personally, great to watch and to show our young guys how it is done will be invaluable into the future,

getting to play with and win a grand final with your son Brodie will be something you never forget and I am grateful to be a part of that.

Another father son duo in Craig and Tyler Hunter, again lad, something really special and I thank you for allowing me to be there for the journey, Craig, I am stoked to have played with you and met you properly this year, a great cricketer and a better bloke, the new gully specialist (sorry nico).

Foss, we got our flat back didn't we, we knew we would have got them last year but to get them in a one dayer may even be sweeter, I'm glad we got it back together, I really enjoy playing with you, all heart and effort, mate I thank you for the advice you gave our young bowlers and Mid off all year, whatever you told them worked a treat.

And me little mate Gaz, mate what can I say, thank you just isn't enough, I respect you on and off the park immensely, I look up to you (in around about way, because I tower over you) as a leader and I cherish our friendship as you are one of my very best mates. Thank you for playing this year, we had some good laughs and some good wins all whilst not having to do a lot hahaha which is great. Thank you for teaching me on and off the park, I have learnt a lot and I really appreciate that!

To all of the guys heading in an upward trend, do not rest on the fact that you did well this year, every year there is someone new coming along who wants to be better than anyone else, use the feeling of winning a premiership as fuel to get another one in a higher grade, I 100% back you all to play higher next season, you all have the desire and the talent to do so, I will take just as much delight in watching you guys win flags for this club in higher grades as I do for our year this year.

A great year and capped off with a dominant finish, it is what good sides do and that is what I said we were after round 1.

Thanks guys,

Redda

SIXTHS

If you look up the word choke in the dictionary, there is a photo of the 1999 Essendon football club. There is also now a photo of the 2021 Langwarrin A4 cricket team.

Our season came to a grinding halt when we were beaten by Heatherhill in the semi final.

Paying \$1.01 to win the game we were not able to get the job done. Just shows cricket can be a funny game at times.

With no FYME in our grade this season to play against the boys motivation levels were down and a premiership against another club would have had a hollow feeling. That's our story and were sticking to it.

Over the last 4 years this side has had a lot of fun and lot of success, but this year just wasn't meant to be.

With Covid having an impact on the season and all grades becoming one day comps, our team became the 6s. Meaning we were able to get away from the dreaded EMC. Three seasons of home games at the ground is enough for any side to be put through.

We had a couple of changes to the list over the off season with Craig Morrow traded to Darwin for pick 189 and Alan Davie retiring for the third time and joining the over 70s league. Jacob Brooker came back in after a gap year and we were able to trade in Trav Whelan for picks 3,9,17,24 and a future first. Bargain.

We were fairly dominant for most of the home and away season with our only loss coming in round 5 against Delacombe park falling 2 runs short chasing 236. They went on to win the flag.

We had several early finishes this season which meant early beers being able to keep 5 of our opponents to under 100 runs.

This was mainly due to the fact our shit captain only won 4 out of 14 tosses and we were forced to bowl first most games.

A few highlights from the season were Josh Burgess making 111 against Long Island in round 11, hitting them to all parts. However he did need some luck getting dropped on 99.

In the same game Aubrey Deswooper turned back the clock and took 4/14 off 8. Luke Hodder made 84 not out against Carrum Downs in round 13 with all his runs coming after drinks.

In round 6 against Carrum Downs Rob Healey managed to get through more than one over without breaking down and finished with nice figures of 4/5 off 4 overs.

And young Brad Poole took 4/26 off 7 overs against POB in Round 10.

A couple of not so great moments from the season were Scott Morrow calling a no ball on a 13yr old kid for chucking it while bowling against us and Luke Hodder making a golden duck in the semi final.

Throughout the season we had several juniors help us out by playing in our side when we were short. The club is so fortunate to have such a strong junior base to call on when needed and they didn't just make up the numbers. Will Mayers bowled really well every time I threw him the ball and is an absolute jet in the field and Brad Poole took 10 wickets in 5 games for us which included playing in our semi final side.

With so much talent in the junior coming through the future for our great club is bright.

Cheers

Mathew Poore

SEVENTHS

It was a great honor to be part of this team for the season, I played in the first round with this group before going back to the 8ths until round 6 when I rejoined the 7ths team on the back of my strength with the bat and was promoted to captain, as all the other old bastards kept getting injured.

We had a mix of the old and the young with this team, Stuart and Tom Bath, Ray and Nic Curran, Rob and Alex Davy, Greg and Steve Talbot all playing with their sons throughout the year, Stu and Ray not having played cricket since their teenage years I believe, so for them to pull the whites back on was a great achievement for them I would say the club, injuries not so great for them.

We had 20 players rotate through the team this year with experienced campaigners in Ric Nolde, Greg Talbot (was selected as captain before injuries ruined his season) and Rob Davy, Ray, Stu and Andy Eigenraam, and myself in my second year of cricket, and a vast talent of juniors from 16's and 14's making up for our core team.

Our bowling strengths were with the kids doing all the hard work with the ball, Tom Bath (18 wickets), Mitch Quigley (14), Nathan Tsiampas (8), Brad Poole (6) and Will Mayers (8), Will, Brad and Nathan would all be eventually sent up to a higher standard in grades and held their own there also which was pleasing to see as they have a rich future ahead of them at Langwarrin.

Batting was a bit hit and miss throughout the season as we would have a couple of lads make a start and set us up, then only to have a middle order collapse and find us struggling to get past the 100 runs total often, but as the season went on we managed to get past the barrier of 100 runs and start playing out our 40 overs also which was heartening too, but most of the time, our lack of runs weren't enough to defend with the ball.

Highlights for me were seeing young fella's in Nic Curran, Lach O'Neill and Steve Talbot making their highest scores this year, young Nic beat his highest score twice in consecutive games from memory and Lachie and Stu Bath both posted a 50 this season too. Stevie Talbot got his highest score at Ballam Park and had a 50 run partnership with Nathan Tsiampas, to see the smile on Stevie's face and then to hear about if for the next few weeks was priceless.

Season highlight for me was the win against Seaford, at one stage we were 7/19 off about 15 overs, young Lachie O'Neill had an unbeaten 51 not out and Ric Nolde in a supporting role held up the other end with the bat, we went on to make 98 runs, then to put Seaford to the sword with score of 64 with Tom Bath 4 wickets and Nathan Tsiampas 3 wickets, with Chris Aedy helping me in field positions it was an amazing feeling to get the points and see the joy in the lads face, something that I will take away with me this season.

To the old fellas that helped and supported me on and off the field, Ray, Greg, Ric, Rob, Andy and Stu I thank you for the team we got to play with and get together each week, to the young boys, it wasn't a successful season of wins, but a successful season in blooding some wonderful junior talent in Mitch, Bailey, Oscar, Tom, Brad, Will, Lachlan, Nic, Stevie, Nathan and Joel, that this club has in spades, work on your craft in the off season and become even stronger cricketers and genuine good lads.

To Dan Holden, thanks for the help and support that you gave me with selection and the ear to bend when I needed a whinge, Gary Rees for the backing and help with the stupid questions I would ask and support while I was struggling with the bat, and to the peoples President Matt, your help and friendship and leadership has been outstanding, I hope you, Gary and Dan all stay on in the same roles next year.

On a personal note, I wish to thank all the guys that tried to help me this year with my batting, Andy with the bowling machine, to Matt Prosser, Tom Hussey and Jamie Jewiss, their coaching and tips, expertise, I was really chuffed to have such legends of the club help out a battler like me, and this is what sets this club apart, I love this club and its members and supporters, than you for the opportunity of being Captain of the 7th....

Brett Cuzens

EIGHTHS

This team was established this year as a father/son team.

Development was the main focus of this team and to allow the kids to learn as much as possible about senior cricket. We had Tom, Kylan, Ryan, Owen, Jake and Chad who started the season as 13/14 year olds. We also had Flynn who has not played a lot of cricket and some outstanding fathers and people in Andrew Dolphin, Dave Kelly and Hayden Mitchell. Unfortunately, we lost Cuzzy, but that was a great opportunity and experience for him.

Each week these 13/14 year old boys bowled the majority of the overs. At EMC these boys learnt from the school of hard knocks where to bowl and most importantly, where not to bowl. Ryan and Kylan were outstanding. Owen and Chad bowled some great spells and Tom, Flynn and Jake showed great improvement towards the latter half of the season. Hayden was our keeper each week and he did a magnificent job.

Being a different format to 70 overs and having 7 kids in the team most weeks, batting was going to be challenging. With the bat we knew the boys may struggle to have the strength to penetrate boundaries on some grounds but as the season progressed they began to bat with more intent and it was a pleasure to watch. The dads had to value their wickets more at times to enable us to bat our overs. DK, Dolphin and Loom played this role at times, with Hayden being the aggressor. Before Christmas we had our chances to win but couldn't make enough runs. We lost one game by 31 runs and another by 20 runs. The others we were smashed by teams with men in them. There was only one other father-son team in the competition. In the field we were sloppy before Christmas and dropped too many easy catches. General fielding was okay but easy catches cost us, as a collective. However, after the break all the kids focused on improving by doing the fielding at training with Rob. That made a huge difference and we looked a different side.

After the break two teams pulled the pin on us and we were not happy as we were itching to play them. The turnaround came when we bowled out the top team Tyabb. We fell short but that gave us confidence to finish the season on a high. From there we beat Pines who smashed us earlier in the season with Kylan and Ryan taking 7 wickets between them. Chad making 40 with Tom and Ryan putting on 50 crucial runs for the ninth wicket partnership. Against Baxter we handed them a lesson after they too beat us earlier in the season. The 100 partnership between Kylan and Hayden the highlight. Hayden hit some massive bombs making 86no. Unfortunately, we couldn't make it three in a row in the final round and lost by 15 runs to YCW.

Overall, this was an amazing experience for all our kids and their fathers. We all enjoyed this experience and learnt quite a lot along during the season. I would like to thank Red, Reesy and the committee for allowing me to captain this year. Thank you to Dan Holden for your support. A huge thank you to Jo and Dan Bray for all your efforts doing the stats each week. Also, my wife Kylie who scored many times for us and helped with book details.

I am very proud of what the boys achieved and we had many laughs along the way. Thanks to my deputies Andrew, Dave and Hayden for your work with the boys and assisting me with guiding this group of young men. The love and care you showed all our boys was absolutely outstanding.

Thank you.

Paul Poulis
